Western Australian Philatelic Council Inc.

Welcome to the 2022 Stamping WA, the definitive guide to the West Australian Stamp World and also including the coin & banknote societies and their events here in Perth. Now all the local clubs and societies are listed with meeting dates, venues, contact details and publication information. The number of clubs illustrates the large choice there is for both the general and specialised collector.

In addition the calendar of events further reinforces the variety of stamp, coin & banknote shows plus auctions that Perth has to offer. The dates, times & venues are listed in full. There are some events yet to be finalised but these will be advertised closer to the event on websites and through club newsletters.

Finally the listed websites allows the collector to explore further the opportunities that are available to meet fellow collectors, share information and learn about the hobby.

If you are not already a member of a club, please do join one of the ones listed and become an active member. The support of collectors is invaluable to their survival and the committees work hard on a voluntary basis to promote the hobby and enhance the enjoyment of the collector.

My thanks to **APTA, Australia Post, Ace Stamp Auctions, Ian Boulton Stamp Dealer, WAPC, Richard Juzwin, Mickel Smits, Coin Aus John, Kenton Philatelics, Sterling & Currency, Australian Specialty Coins & WA Coins** for their advertising plus the financial assistance from the **Australasian Stamp Dealers Association** to allow this booklet to be free to all collectors as they continue to promote philately around Australia through such initiatives. Please actively support the advertising dealers when buying your stamps, coins, accessories and catalogues and for stamp dealers pledged to the highest commercial standards, deal with those members of APTA listed at **www.apta.com.au**.

WHY JOIN A CLUB?

If you collect stamps or coins then you can't afford not to be a member of a club! These clubs provide their members with the opportunity to meet with like-minded people and to share information about their hobby. They are also a great source of stamps and coins for your collection. Many collectors hesitate before visiting a collectors club because they may regard themselves as 'only beginners' or for other reasons. Don't think this way. All members of such clubs were beginners at one time. These clubs are full of people from all walks of life who, just like you, enjoy collecting. The members of clubs cover the full spectrum of collectors, from those who collect the latest new Post Office or Mint issues to those who have only very limited budgets through to those who exhibit their collections at national exhibitions. All value the benefits of their memberships in these clubs and the friendships and contacts it brings. What can a Stamp or Coin Club provide? Most clubs offer:

- An opportunity to obtain stamps/coins at very reasonable prices through their circuit books and auctions
- Displays or visiting speakers
- Newsletters and magazines
- Access to relevant catalogues and books
- Advice on the latest fairs, auctions and exhibitions.

But above all, they offer friendship, knowledge and experience of their members who help you with advice on all aspects of collecting including identifying stamps and coins, where to get them, storing and housing your collection and ideas on new collecting areas. So, join a club today using the information contained within this booklet!
